What is ME+YOU?

New ideas. Fresh thinking. ME+YOU is designed to inspire creative people. We hope to bring together within a community of passionate creators, contributors, achievers, engagers and seekers focused on sharing their process and discoveries. Our platform is contemporary and modern quilting via enthusiasts who push existing boundaries to pursue what's next.

ME+YOU is about new energy and individuals embracing shared knowledge and experiences in a way that sparks the telling of their own story. We honor the traditions of creativity, resourcefulness, and innovation in the sewing and quilting world. As ideas evolve, so do we, and we embrace maverick thinking just as we cherish our roots and those pioneers who came before us.

Our goal is to live inspired.
